When Marcus Stroman becomes a base-runner his rating is AR

The Blue Jays were projected to be among the competition for the AL East title but the season was blown up because of injuries to key players. Josh Donaldson and Marcus Stroman both spent extended periods of time on the disabled list. Former star Troy Tulowitzki didn't play the entire season. The troubled and suspended prodigal closer Roberto Osuna was moved to Houston in a trade...Justin Smoak and Randal Grichuk tied for the team lead in homers (25). Smoak was the leader in RBI (77) and tied Teoscar Hernandez for the most runs scored (67). Kevin Pillar's 129 base hits were a team high. The Jays hit .244 and 217 home runs...J. A. Happ topped the pitching staff with ten wins and 130 strikeouts before being traded to the Yankees for New York's stretch run to catch the first place Red Sox. Toronto finished twelfth in the A.L. with a 4.85 staff ERA.
