Marlon Byrd had a team high 21 home runs. Daniel Murphy led the ball club with 188 hits, 92 runs scored, 38 doubles, and 78 RBI. David Wright added 18 dingers and 58 runs batted in. His recurring back issues limited him to 112 games played. Murphy is now the regular second baseman and was inconsistent defensively but HAD to be part of the everyday line-up because of his potent bat. Lucas Duda split time between the outfield and first base while contributing 15 home runs. The Mets hit .237 and 130 home runs for the year...Dillon Gee (12 wins) and Matt Harvey (191 K's, nine victories) led the starting staff. Jon Niese followed with eight wins. The staff ERA was 3.77... The season's mid-way point found them in fourth place at 35-46 and 12 ½ games out of first...Harvey would be lost for all of 2014 after "Tommy John" elbow surgery in the off-season.
