The departure of Barry Bonds to the Giants through free-agency was responsible in large part for the Bucs' first losing campaign in what would be twenty straight LOSING seasons...Al Martin posted a team high 18 home runs. Jay Bell led the ball club with 187 base hits and 102 runs scored. Jeff King collected 98 RBI. The Pirates hit .267 and 110 homers...Bob Walk won thirteen ballgames to lead the pitching staff while Steve Cooke was tops with 132 strike outs. Cooke finished with ten wins and ten losses for the season. The staff ERA (4.77) placed them thirteenth in the National League.
