Team Stats: Batting average (.233, 14th in the NL); 106 stolen bases (2nd); 1,553 strikeouts (second most in the league); 158 HR (13th). The pitching staff (average age 26.6) held its own with a 3.96 ERA for the year (6th in the NL) and 1,381 strikeouts (9th). Sandy Alcantara, 25, won 9 and dropped 15; however, many baseball experts predict he'll one day be a top ace. He punched out 201 batters and finished with a 1.075 WHIP. Another promising starter was 23-year-old lefty Trevor Rogers who won 7 games and struck out 157...Jesus Aguilar (in 131 games) and Adam Duvall (before a trade to the Braves) both slugged 22 home runs. Aguilar led the offense with 93 RBI. "Jazz" Chisholm, 23, popped 18 HR, often showed elite range in the field and newfound power at the plate.
