The Tigers were 13th in the American League in batting (.231), last in home runs (110), and drew the fewest walks (380). Javier Baez was signed to a six-year \$140 million contract in December of 2021 expected to provide lots of power and magic with his glove. He led the ballclub with 17 homers, 67 RBI, 132 base hits, and 64 runs scored. As is his wont, he swung at the most pitches out of the strike zone in the majors, posting a .278 on base percentage. Platoon catcher Eric Haase (pronounced HOSS) was next with 14 jacks...Tarik Skubal had the most wins on the pitching staff (7) and strikeouts (117). Reliever Alex Lange won seven as well...Kody Clemens is the 26-year-old son of Roger Clemens. He took seven turns on the mound and hit five home runs while knocking in 17. Heralded rookie Spencer Torkelson slugged eight home runs and drove home 28...Casey Mize, after his first two starts, went on the injured list in mid-April with a diagnosis of a right forearm strain, then on the 60-day injured list in June. He never pitched again in 2022 after undergoing the pitcher's nemesis, Tommy John surgery...By the All Star break, the Tigers had already lost 55 ballgames and were fourth in the AL Central division 12 ½ games out of first.
