The rule changes for MLB in 2023 according to the new collective bargaining agreement didn't help the Royals much. It was a season with a new skipper and again starting anew. Their last place finish in the AL Central division had them 31 games behind the Twins. The year's season record matched their worst, first attained in 2005...One of the most outstanding players in all of baseball, 23-year old Bobby Witt Jr., capped his second season with ten more homers, a major league leading 11 triples, and a batting average 22 points higher. His 30 homers and 96 RBI led the team. Salvatore Perez added 23 jacks and 80 RBI...Brady Singer's eight wins topped the pitching staff. Jordan Lyles finished an abysmal 6-17; Zack Greinke 2-15 in wins/losses.
