

## **1990-91 ECHL Card Set for Hockey Blast Information Booklet**

### **Introduction**

1990-91 was the third season of the East Coast Hockey League. Three expansion franchises (Cincinnati, Louisville, Richmond) joined the league, increasing the number of teams to 11. The Virginia Lancers, based in Vinton, Virginia, were renamed the Roanoke Valley Rebels.

Award winners that season were as follows:

MVP and Leading Scorer: Stan Drulia (Knoxville) – 63 G, 77 A, 140 pts in 64 games  
Rookie of the Year: Dan Gauthier (Knoxville) – 41 G, 93 A, 134 pts in 61 games  
Defenseman of the Year: Brett McDonald (Nashville) – 19 G, 62 A, 81 pts in 64 games  
Goalie of the Year: Dean Anderson (Knoxville) – 23-3-5, 2.95 GAA, .908 SV% in 29 games

Knoxville captured the Brabham Cup as regular season champions but were swept by Louisville in the first round of the playoffs. The Hampton Roads Admirals captured their first Riley Cup Championship, defeating the defending champion Greensboro Monarchs 4 games to 1. Admirals forward Dave Flanagan and goaltender Dave Gagnon were named co-MVPs of the playoffs.

### **The Cards**

All players with at least 8 games played are represented with a card. There are also a few players included who played in less than 8 regular season games but saw significant ice time in the playoffs. (For those players, regular season and playoff stats were combined to calculate their shot/assist stars and penalty ratings.) The cards are based on data retrieved from the ECHL Stats Archive (<https://www.echl.com/echl-stats-archive>) and the Internet Hockey Database ([www.hockeydb.com](http://www.hockeydb.com)). Players who suited up for multiple teams are grouped with the team they finished the season with. These players are listed later in this document. A few players have white triangles/squares. Treat these as you would momentum stars; they count only when the player's team has momentum.

## **Recommended Rule Modifications**

### **Lineups**

In 1990-91, ECHL teams dressed a maximum of 14 skaters and 2 goaltenders per game. Teams varied how they distributed ice time among their skaters. For simplicity, one suggestion is to play with 3 regular forward lines and 2 regular defense pairs, then have an extra skater available as a substitute when needed. If you use the stacks method, you could simply rotate the players in their stacks.

### **Coincidental Minors**

In 1990-91, ECHL teams skated 5-on-5 when coincidental minor penalties occurred.

### **Overtime/Shootout**

In the 1990-91 ECHL regular season, if regulation time ended in a tie, teams played 5-on-5 for five minutes or until someone scored, so just use the regular charts and rules. If still tied after the OT, the teams went to a shootout.

The shootout lasted five rounds for each team, then additional rounds were added if there was still a tie. The visiting team always shot first. Other than those two changes, follow the regular shootout rules listed in the Hockey Blast rulebook.

### **“Rob Dopson Rule”**

Goaltender Rob Dopson played in only 3 of 64 games for Louisville during 1990-91. However, he was the Icehawks’ number one goalie in the playoffs. To accurately represent this on his card, I gave him a start rating of P. If you are using start ratings to determine starting goaltenders for a regular season game, roll both dice for Dopson and read them separately, black die first. 11-12: Dopson starts, 13-66: Dopson does not start.

In a playoff game, give Dopson a start rating of 4.

## **Team Grades / Replay Suggestions**

For those wishing to do a full-season replay, I unfortunately could not find an entire league schedule for the 1990-91 season. If you want to create your own 64-game schedule, here is my best guess on how the games were scheduled, based on a copy of the Johnstown team schedule that I own:

A Virginia-based team (Hampton Roads, Richmond, Roanoke Valley) played each of its in-state rivals 8 times and each out-of-state opponent 6 times.

A team not based in Virginia played its nearest geographical rival 10 times and each of the other teams 6 times. I believe the geographical rivalries were Cincinnati vs. Louisville, Erie vs. Johnstown, Greensboro vs. Winston-Salem, and Knoxville vs. Nashville.

The top 4 teams in each division qualified for the Riley Cup Playoffs. They played within their division until the Final series. First round series were best-of-5. All other rounds were best-of-7.

The following team grades may be used with Bob Hansen's Instant Results Chart, available from the July 2018 PLAAY Newsletter

([https://plaay.com/PLAAY\\_PDFs\\_2016/HB\\_universal\\_IR\\_BH.pdf](https://plaay.com/PLAAY_PDFs_2016/HB_universal_IR_BH.pdf)):
