These cards are reproductions of the actual card set provided in the second edition of Statis Pro Baseball.

They are designed to be printed on both sides of card stock, and may be done so in this manner.

1. Set your printer accordingly and print pages 1 to 13 of this file first.
2. Make certain your pages are arranged so page 14 will print on the back of page 1, page 15 on page 2, and so on.
3. Print pages 14 to 26 on the backs of pages 1 to 13 you printed earlier.

NOTE: Not all printers are set alike. The prints may not line up exactly, but you should still be able to get a viable set of fast action cards with this print.

Enjoy the cards, and the game.
