# SPECIAL GAME PRICES

ASD has printed many ratings for use with various games. Readers would get a lot more out of ASD if they owned these various games. With the three companies permission ASD is listing, and making available to its readers the following *Negamco*, *BLM*, and *PTG* games at special prices. These prices are for just the game boxes, and game parts (no rosters or playing cards). You can then use ASD's college, minor league, fringe players, et cetera to play your games.
